

Why Guardian

We make it easier for you to offer employee benefits

We provide a simplified service experience for our broad range of Guardian products including disability, life and supplemental health insurance. Our service differentiators make Guardian the appropriate choice for all of your ancillary employee benefit needs.

Our flexible and proactive technology capabilities

- **Seamless implementation:** online Case Profile Tool captures key information for an expedited and simplified implementation process. Tracking capability allows you to monitor the implementation process in real-time.
- **Faster submission:** easy and secure way to submit census enrollment data. Our Enrollment Mapping and Management Application (EMMASM) can cut submission time by as much as half.
- **Seamless connection:** we have over 350 established connections with a broad range of ben admin platforms. We will connect via EDI on all size groups — no minimum number of lives required.
- **Simplified EOI:** streamline the Evidence of Insurability (EOI) submission process resulting in higher completion rate and faster review helping employees obtain the coverage they need.
